Dear Sir

I am in receipt of a letter from you asking to book The Eagles some exhibition games in South Jersey. You spoke of Saturday nights and Monday nights in particular. I would like very much to find a profitable spot to play on either or both these nights preferably Monday.

The terms for our league teams are night games \$100.⁰⁰ guarantee with an option of a percentage of gate receipts. Twilights \$200 - guarantee.

Let me know what spots you have in mind and what ~~the~~ proposition you offer -

Would it be possible to arrange a few afternoon or twilight games during May, before night ball starts. If so it would be necessary to know at once as time is drawing near - Very Truly, Yours
